

Well being

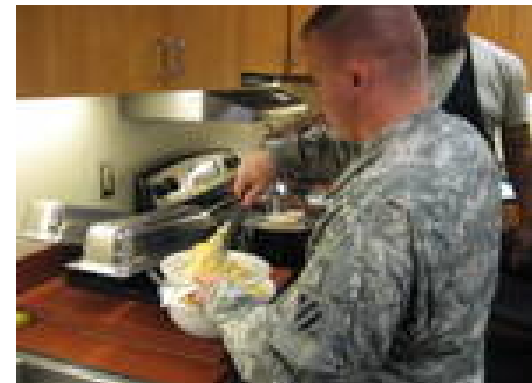

For the BOSS Cooking SGT Price prepared a very special dish of shrimp pasta with a homemade alfredo sauce. The Soldiers in attendance were very pleased to eat it and more pleased to have learned how to prepare this amazing dish.

Recreation and Leisure

On 25 Sep 10 FSGA BOSS teamed up with Ft. Bragg BOSS program to get to know how our programs work and have a good time at the National Whitewater Center and the Carolina Panthers/ Cincinnati Bengals football Game. We had a great time and are looking forward to going again. The rapids were a bit unkind for a few Soldiers who took an unexpected swim but as fun as ever throughout the entire ride. The Bengals were too much for the Panthers to handle in the end too as T.O. and Chad Ochocinco teamed up to destroy the home team.

Community Service

On 17 Aug 10 BOSS got to kick off its Elementary mentorship program for school year 2010-2011. The students were as happy to see us as we were them. We are looking forward to having a great year at the school and helping lots of students achieve high standards. On 30 Sep 10 BOSS President SGT Carson and Vice President SSG Phinisee had the opportunity to present and thank Mrs. Houtkooper's 1st Grade class with a pizza party for showing the most support in bringing in supplies for Operation Welcome Home. The class was very excited, and we were very happy to be there amongst their smiling young faces. KIDS LOVE PIZZA!!
