Emergency Response

**CALL
911
AND
PARENT**

- Stay calm and track the time (beginning and ending time of seizure)
- Call another staff member to activate emergency response (911/calling parents)
- Place individual on flat surface
- Keep individual safe
- Do NOT restrain
- Do NOT place anything in individual's mouth
- Roll individual to side (this will decrease risk of choking)
- Stay with individual until EMS arrives
- Staff member will accompany individual to medical facility until parents arrive
